Total round robin matches Central											6					
Total round robin matches in West											6					
Total round robin matches played in Pool South											2					
<b>Formula used to determined comined log</b>																
Total log points on individual log divided by amount of matches played by specific team multiply by maximum amount of matches any team can play (which is six).																
Okahandja Bulldogs used un-registered players and 2 points subsequently deducted from their net log points.
